Dear [Redacted]

STAT

The Agency is forming a special panel to take a look at Soviet economic performance and our evaluation of it, under the chairmanship of Harry Rowen of the Hoover Institute. We are most anxious to have Dr. [Redacted] be a member of that panel.

STAT

We would anticipate that the panel would meet periodically from 1 January through April 1985 with a final report due the end of April. While [Redacted] is amenable to an association of this nature he feels we should seek your approval since it may conflict with some of his university duties. [Redacted] has further details regarding the specific nature of the panel which he may share with you.

STAT

STAT

We hope that you may find it convenient to free up [Redacted] during this time period and we are grateful for your consideration.

STAT

With best wishes.

Sincerely,

[Redacted] John N. McManon
